

Literacy

This term we will focus on our reading comprehension skills and then learn to construct complex sentences. In SPaG we will be learning how to use commas to separate items in a list and apostrophes for contracted forms.

Numeracy

We will explore and learn 2,5 and 10 times tables, describe the properties of 2D, 3D shape and solve problems involving money and fractions.

Physical Education

Games and Gymnastics

Computing

We will also look at using technology safely and respectfully and keeping personal information private.

Art and Design / Design Technology

We will look at the work of Chas Jacobs and link this to our topic. We will produce artwork on our homes. We will design purposeful, functional and appealing products for ourselves and other users based on design.

Home Sweet Home
Elm Class
Spring Term

Science

We will learn about uses of everyday materials and plants. We will compare the uses of everyday materials by observing, identifying and classifying them. We will also observe and record how plants change over time.

Religious Education

Looking at main events and celebrations of Jesus' life, including Palm Sunday, the Last Supper, Good Friday. Looking at the church, signs and symbols used in church and belonging to a community.

Music

Children to look at topic 'I Wanna Play In A Band' (Churanga) and Glockenspiel Stage 1 (Churanga).

French

Directions, birthdays, around the home and continued basic conversation. (Learn 1 song per half term.)

Creative : History / Geography

We will learn about significant local people, places and events. This will include the history of Lord Ashton, Williamson's Park and the Town Hall.

In Geography, we will look carry out a Lancaster Study looking at local knowledge/weather and oceans and seas. We will also continue to explore geographical language and look at mapping.
