

English

We will be studying spooky short stories and writing one of our own! We will study Macbeth. We will look at argument and debate, reports and journalistic writing and poetic style.

Art Design/Design Technology

We will be looking at printing, creating a mural about the Viking Raid on Lindisfarne. In DT, we will be designing and making our own biscuits.

Religious Education

We will be looking at the rite of Reconciliation and its significance, including the development of conscience through regular examination. We will be performing the story of Jesus death and resurrection in our Easter play.

Maths

Number – Multiplication and Division, Number – Fractions, Number – Decimals and Percentages. Arithmetic and Times Tables practice.

**Willow
Spring Term**

Music

We will be learning to sing, play, improvise and compose Reggae as well as practising our Easter Play musical.

French

The Weather – vocabulary and listening activities. Clothes - vocabulary and introduction of the verb 'porter' to wear.

Physical Education

Swimming, dance, floor gymnastics, circuits.

Science

In the unit, 'Properties and the Changes of Materials', children will compare and group together materials on the basis of their properties and know that some will dissolve in liquid to form a solution. We will use knowledge of solids, liquids and gases to decide how mixtures might be separated and demonstrate that dissolving, mixing and changes of state are reversible changes.

History/Geography

In History, we will be studying The Vikings, in particular; where they came from?, why they invaded and settled and what made them so successful? Geography, we will be looking at Map skills and learning where the countries of the world are.

Computing

Using Purple Mash, we will be looking at spreadsheets, databases and Game Creator.
