CAFOD Live Simply Award

Today, 4th October, is the Feast of St Francis of Assisi who gave up his wealthy life to have a simple life to support the poor and to look after God's creation. Therefore, we are inspired by St Francis and have enrolled to take part in the CAFOD Live Simply Award which challenges us to live simply, to live in solidarity with the poor and to live in sustainability with the world.

This will include many activities that we already do, e.g. recycling but will also challenge us to consider other activities to make a positive contribution to our ever changing world. Please let us know of your thoughts and ideas to meet this challenge.

Thank you.
