Dear Parents and Carers,

We hope you are all well and continuing to keep safe during these unusual times.

The month of May is such a beautiful time as we welcome spring which brings new hope and the sign of better things to come. It is also the month that we dedicate to Mary, our mother in heaven, and traditionally we say her special prayer the Hail Mary and the Rosary. The children in school are familiar with these prayers as we say them regularly throughout the year and especially during May and October.

Pope Francis has reminded us of the importance of saying the Rosary during this month as spiritual support to help us overcome these difficult times (see attached letter). Therefore please find attached some information regarding the Rosary that you may find useful during this special month. We are urged to say a decade of the Rosary each week as a family and even by just saying the Hail Mary we can support each other and those who are suffering the most.

Please take care of yourself and your families.
